GASTRO

A delicious journey: a bite of Andalusia

Un viaje delicioso: Andalucía,
de un bocado

What would be better than to use all our cooking knowledge and amazing ingredients to discover the flavors of Andalusia? **B bou's** gastronomy proposes a journey through the traditional Mediterranean cuisines of the Axarquía, Málaga, Ronda and Seville, always from a contemporary perspective and opened to an international touch.

B bou Hotels dibuja una ruta gastronómica por Andalucía, que da comienzo por los pescados y mariscos frescos de Málaga, continúa con los detalles tropicales del mango y el aguacate, pura Axarquía como el genuino chivo de Canillas, tiene parada obligatoria en los quesos y vinos de la Serranía de Ronda, además de su famosa cola de toro y, sin olvidarse de clásicos como el salmorejo o la porra antequerana, finaliza en Sevilla con sus refrescantes cócteles con aroma a azahar.

B bou Hotels draws a gastronomic route through Andalusia, starting with the fresh fish and seafood of Málaga, goes on adding some tropical details of mango and avocado, pure Axarquian flavor as the genuine Canilla's goat, stops in Ronda for a taste of cheese, wine and its famous bull's tail and, without forgetting some good old classics such as 'salmorejo' or 'porra antequerana', ends in Seville with some refreshing cocktails that smell like orange blossom.
